The screenshot shows the System Center Configuration Manager console. The title bar reads "System Center Configuration Manager (Connected to P01 - windows-noob primary site) (Evaluation, 60 days left)". The breadcrumb navigation is "Administration > Overview > Cloud Services > Updates and Servicing". The left-hand navigation pane shows "Administration" expanded, with "Updates and Servicing" selected. The main area displays "Updates and Servicing 2 items" with a search bar and "Add Criteria" button. Below this is a table of updates:
